## COMMERCIAL EXTERIOR COLOR SELECTION

Customer Name: \_\_\_\_\_

Thank You for choosing Lakeside Painting, Inc. to paint your project. We will now need to work with you to verify color selections. Please fill out the chart below and mail back to us. **Please enclose color card or color chip for matching.** Some quality locations to find a wide range of color selections are Hallman/Lindsay, Sherwin Williams, Mautz, and Home Depot. If we are to match the existing colors of the home we will need to obtain a physical sample when we powerwash, but for best color matching results we ask for the old paint cans if they are available to us. Please do not hesitate to call if you have questions.

**Our Color Selection Services Include:**

- Two 3x9" draw down cards for each color for your approval and initials (each additional is \$10)
- Quart samples for each color provided (each additional \$15 per quart)
- **"Matching Existing Colors:** Due to fading & aging of existing coatings we will match the color as close as possible the initial time, each additional requested sample will require an up charge of \$15 per sample.
- Custom color mixing (\$55 per hour, plus materials) – When the color you choose needs a slight adjustment
- Applying sample colors to any surface (\$55 per hour)
- Professional color & design consultation (\$150 for the first two hours)
