

"Making Life Easier for You"

EXTERIOR PRE-PAINT CHECKLIST

The following checklist will assist us in being able to complete your project efficiently & cause less disruption to your daily routine.

Prior to Our Arrival:

- Cut back all branches touching the home, take down vines which are too close to, or connected to the home.
- Clear area in garage / shed for workers to store valuable equipment and or tools.
- Remove & store all items from your front or back porch that you would not want to get wet during the powerwashing process.
- Make sure all windows & doors are closed on the day powerwashing is to take place.
- Please make arrangements to contain or remove your pets during the project.
- Please turn off automatic sprinkler systems & for the duration of the project.
- Please inform us of any alarm systems requirements to avoid unnecessary alerts
- Make sure that all outside water spickets are turned on & working properly.
- Please have all animal waste cleaned up before arrival.
- Have major bee / hornet nests destroyed
- If you are unable to perform any of the tasks on this list or have any other questions that we can answer for you feel free to contact us we will be glad to lend a hand.

Note: By completing these tasks you will help us in *"Making Life Easier for You"*
